WILD CAUGHT SOCKEYE SMOKED SALMON

Firm and flavorful, lean and robust. A multi-layered, decidedly distinct, gotta-go-back-for-seconds experience. The robust flavor of Sockeye will elevate just about everything. This smoked fish plays well with others—basil, cilantro, bell peppers, citrus, sour cream, dijon, you name it. Wild Sockeye Tacos, Summer Panzanella, or try it on top of a grain bowl - it's a sure hit!
