

PORTICO® SEAFOOD
Imperial

FEATURES AND BENEFITS

Market sustainable seafood on your menu. Wild-caught in the sands of the Canary Islands, Spain and Morocco.

Each octopus is individually tray packed to prevent damage, preserve freshness and facilitate the ease of portioning.

True to range. Each octopus will fall within the given size range, guaranteed!

Labor saver! Beaks have been removed, saving you both back of house labor and trim loss that come with processing raw octopus.

Sysco's unparalleled Point Source Inspection System ensures that your seafood is traceable to the source, delivering consistent quality and integrity every time.
