Quality is more than a promise. It's assured. You can always rely on Sysco to deliver consistent quality with every order. That's because we have more than 100 QA professionals committed to maintaining the most stringent standards in terms of food quality, consistency and food safety. That's by far the largest and most active QA department in the industry.

Features & Benefits

- Each fillet is Individually Quick Frozen (IQF) and coated in a protective ice glaze to prevent freezer burn, preserve freshness and facilitate the ease of portioning.
- Individually Poly-Wrapped (IPW) fillets to preserve texture and prevent dehydration.
- Contains up to 20% water added, compared to the industry standard, which is between 25% to 30%. Results in less shrinkage.
- Always packed in staple-free boxes resulting in fewer damaged products and eliminating unwanted rust.
- Sysco's unparalleled Point Source Inspection System ensures that your seafood is traceable to the source, delivering consistent quality and integrity every time.

Culinary Applications

- **Beer Battered Fish and Chips:** Golden fried beer battered cod served with chips, coleslaw and homemade tartar sauce
- **Fish Tacos:** Battered cod topped with shredded cabbage, homemade pico and your signature sauce
