Pacific Cod

PORTICO SEAFOOD — Classic —

SINBAD

Delicate in texture with a mild and sweet flavor, and medium oil content. Pacific Cod is extremely versatile with countless application opportunities. Available in a full range of sizes and precisely portioned. 100% Net Weight guarantee. Accurate piece counts, no folded bellies or tails. Quality, taste and yield you can expect from Sysco!

Key Features and Benefits:

1. **Cod is King:** Cod's abundance and mild, white, and flaky meat have stood the test of time. It is one of the most well-known and widely loved fish species in the world.
2. **Sustainable Quality**: Great moisture content & superior flaking. Processed in Asia at an MSC-certified facility using an industry-best **7-Step Quality Control Process.**
3. **Consistent & Precise Portion Control:** Reliable piece counts/case. Portico Classic & Sinbad Cod loins, fillets, tails, and pieces have uniform thickness, minimal shrinkage, excellent yields & premium taste.
4. **Full Range of Sizes**: Available in sizes from 3oz - 8 oz., providing great operator flexibility.
5. **Guaranteed Weights and Yields:** Quality is guaranteed through Sysco's unparalleled **Point Source Inspection Program** - every shipment is inspected and fully traceable to the source, delivering consistent quality and integrity every time.

Application Ideas:

Fish & Chips | Lemon Broiled Cod | Baja Fish Tacos
Fisherman's Stew | Beer Battered Cod Sandwich
