Wild-caught shrimp rice bowl with tofu and spinach

Appeals to heal conscious customers

Quality is more than a promise. It's assured. You can always rely on Sysco to deliver consistent quality with every order. That's because we have more than 100 QA professionals committed to maintaining the most stringent standards in terms of food quality, consistency and food safety. That's by far the largest and most active QA department in the industry.

Features & Benefits

- Wild-caught in the Gulf of Mexico and frozen in a protective ice glaze at sea to preserve integrity and freshness.
- True net weight. Ice glaze does not count toward the net weight of the product, which delivers maximum yield and value to the operator.
- Superior yield. Minimal defects of less than 2% of the weight of the case compared to the industry standard of 5%.
- Contains some water added, but less than the industry standard of 25-30%. Perfect for extend and hold situations.
- Sysco's industry-leading Quality Assurance team ensures uniform sizing and minimal broken pieces, allowing for more accurate control of food costs.

Culinary Applications

- **Country Shrimp Salad:** Golden fried shrimp served on a bed of iceberg lettuce, with diced Sysco Classic cherrywood bacon, cucumbers, cherry tomatoes, red onion, and feta cheese
- **Shrimp and Chips:** Breaded butterflied shrimp served with Sysco Imperial French fries and a signature dipping sauce
