Bottom Line

On true delivered cost, Sysco Portico Classic is $0.04/lb cheaper. The invoice says otherwise: Portico Classic looks like the cheaper buy on paper, and only turns out dearer once the ice is off. That reversal is what this cutting demonstrates. On sizing, Sysco Portico Classic was the more consistent (lower is more even).

Portico Classic

- Weight: Stated 2.00 lb, deglazed to 1.96 lb, 0.04 lb short (2.0%).
- Invoiced: $5.54/lb.
- True cost: $5.66/lb ($0.12/lb more than invoiced).
- Count: 40 against a stated 16/20.
- Sizing: 1.20 largest-to-smallest.
- Sodium: 464 mg per 4 oz (panel prints 580 mg per 5 oz).

Sysco Portico Classic

- Weight: Stated 2.50 lb, deglazed to 2.50 lb, right on stated weight.
- Invoiced: $5.63/lb.
